LAW LIBRARY OF CONGRESS

Established in 1832 as a department of the Library of Congress, the Law Library provides Congress with timely, innovative, comprehensive research in foreign, comparative, international and U.S. law. The Law Library's staff of experienced foreign and American-trained lawyers and law librarians interpret complex and dynamic legal issues for Members of Congress, the federal judiciary, and executive branch agencies. The Law Library's collection is the world's largest: an unparalleled collection of domestic, foreign and international legal material. Authoritative legal sources are in original languages from more than 240 foreign and international jurisdictions, and number nearly 3 million volumes and 3 million micro-format items.
